Director and Dean-Academics go through these teaching plans and encourage/allow the faculty members to use any new teaching mechanism that seems apt for the concerned subject.</p> <p>As academic year 2020-21 was COVID struck year, we were instructed by Government and University of Mumbai, the lectures were held online for all students. Institute subscribed to 2 ZOOM Prime Accounts to facilitate better, smoother and more efficient teaching-learning process during this year. It was decided to record the online lectures for the benefit of those students who might not get an access to the internet due to connectivity problem and/ or could not attend the lectures due to some genuine concerns. 	<p>The Institute follows the guidelines related to examinations as per the University of Mumbai. The pattern of Evaluation in each subject is divided into two components viz. Semester-End Examination and Internal Assessment. For each subject of 100 marks:</p>	

	<p>Semester-End Exam = 60 Marks Internal Assessment (IA) = 40 Marks</p> <p>A student has to pass separately in both of the above components separately i.e. he/she needs to score 50% marks in the Semester End Examination AND 50% Marks in the Internal Assessment. We follow the continuous internal evaluation where in the student is given ample of opportunities to show his/her abilities, skills and knowledge of the concerned course. To ensure the quality of internal assessment is maintained and standardized, the Institute started the system of Mid-Semester Examinations (Mid-Term Exams) which is usually conducted for all the subjects of Master of Management (MMS) in each semester, after the completion of about 40% of the subject syllabus. This Mid-Term Examination carries 20 marks. The dates of this Mid-Term Exam are declared well in advance i.e. 14-21 days before their exam. The faculty members are given the liberty to decide the parameters for internal assessment for remaining 10 marks for attendance. Each Faculty member has to compulsorily declare the internal assessment components and their weightage in the teaching plans before the commencement of the semester and the same is announced in the class by the respective faculty member in the first session of the subject itself. Further a copy of this teaching plan is made available in library for the reference of students and others anytime.</p> <p>For the Part Time courses, the Institute requests the respective faculty members to conduct a class test of 20 marks and the dates of these tests are communicated to the students well in advance i.e. 7-14 days before their exam.</p> <p>As per the guidelines by the University of Mumbai, the internal assessment components with the introduction of its Restructured and Revised Syllabus under the Credit Based Semester & Grading System for MMS.</p> <p>Attendance and Class Participation = 10 Marks and Minimum Three criteria to be picked up from below (30 marks): Mid-Term Test (Min 1) Group Presentations Role Plays Case Studies Assignments Projects Quizzes</p>

A plan for the growth and development of the faculty members is also discussed during such session and in case of weak feedback, the Institute tries to find out what kind of support mechanism is required to improve the performance of the concerned teacher and then such support is provided by the Institute.
