and many more...

CENTRE OF ENTREPRENEURSHIP & INNOVATION

PTVAIM's Centre of Entrepreneurship and Innovation was started as an E-cell of PTVAIM in academic year 2015-16, which eventually got converted into a student based multidisciplinary incubation centre (from 2018-19) that provides office space for 7 start-ups, counselling support and access to funding. COEI started conducting a year-long activities promoting innovation and entrepreneurship among undergraduate and graduate students and teachers of colleges belonging to PTVA trust. Now these activities are extended students-teachers of colleges of Maharashtra as well as rural youth.

Our activities begin with orientation on how innovation & entrepreneurship activities can lead to a lucrative career options, further take the logical flow of ideation workshops, Basic Entrepreneurship Development workshops, Faculty Development workshop, advanced entrepreneurship development workshop and basic business plan competition coined as 'Wings 2 Vision'. Post competition, select good ideas and plans are selected for pre-incubation programme where one to one counselling is given to all teams till, they establish 'Proof of Concept (POC)' and post "POC", selected ideas are brought under 'incubation programme'. PTVAIM's COEI has established Institutional Innovation Council (IIC) under MoE's Innovation Council (MIC) as was declared as one of the top performing IIC for the year 2019-20 with four and half stars out of five. Recently COEI has made a 'Policy on Innovation & Start-up'. We have successfully graduated 4 student business teams in the short time span of two and half year, who are now created jobs for 20+ people in the country and currently giving hand holding to 9 teams in pre-incubation programme.

COEI was inaugurated by Dr. Suhash Pednekar, Hon. Vice Chancellor, University of Mumbai

PLACEMENTS

At PTVA's Institute of Management we strive to enhance the academic-industry interface through projects, field work and internships, thereby providing a much needed corporate exposure. Visiting experts and guest faculty members augment and enhance our curriculum by providing valuable insights in their areas of specialisation, share their experience and stature. For our students, we conduct regular workshops in Resume Writing, Group Discussions and Personal Interview. Our Alumni regularly visit the campus to interact with current students about their experiences both as students and working professionals, the institute strongly endorses this activity for its continuity and validation of our philosophy.
